

Tiberius

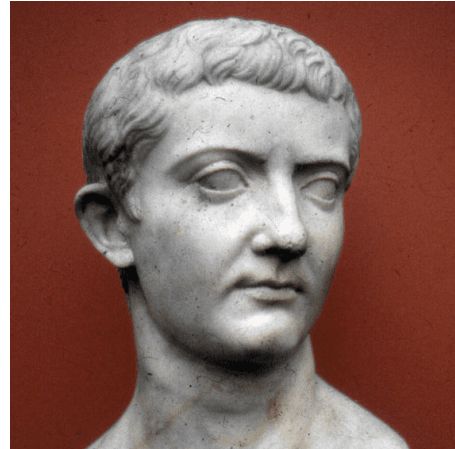

Roman emperor

Lived: BC 42 to AD 37

Thus, when in AD 13, the powers held by Tiberius were made equal, rather than second, to Augustus' own powers, he was for all intents and purposes a "co-Princeps" with Augustus

....

Thus, according to Suetonius, these ceremonies and the declaration of his "co-Princeps" took place in the year AD 12, after Tiberius' return from Germania.
